Why partner with Doris Beth Agency (DBA)

We work strategically to ensure that our clients receive the best satisfaction by providing quality products and services.

We have partnered with reputable companies around the world to ensure that we are providing our clients with the best quality goods and services on an international standard level.

We've liaised with best manufactures all around the world in order to meet and exceed our clients' expectation. Our main supply manufactures From;United Kingdom , Denmark, India, China, Dubai and other parts of Asia.

You need a partner who looks at your brand from your eyes; Doris Beth agency does just that. Our main goal is to ensure that our client's brand is well represented.

HEALTH, SAFETY AND ENVIRONMENT

Personal Protective Equipments (PPE)

To ensure the greatest possible work protection for employees in the work place, the cooperative efforts of both employers and employees will help in the establishing and maintaining a safe and healthful work environment.

In general, employers are responsible for;

Performing a hazard assessment of the work place to identify and control physical and health hazards.

Identifying and providing appropriate PPE for employees.

Training employees in the use and care of the PPE maintaining PPE, ***Include;***

Replacing worn and damaged PPE periodically reviewing,

Updating and evaluating worn and damaged PPE

In General, Employees Should;

- *Properly wear PPE*
- *Attend training sessions on PPE*
- *Care for, clean and maintain PPE*
- *Inform a supervisor of the need to repair or replace*

We ensure that our clients know and understand why they need PPE and why it should be replaced after a certain period of time. this is why we provide quality safety products and include time frame when to be replaced.

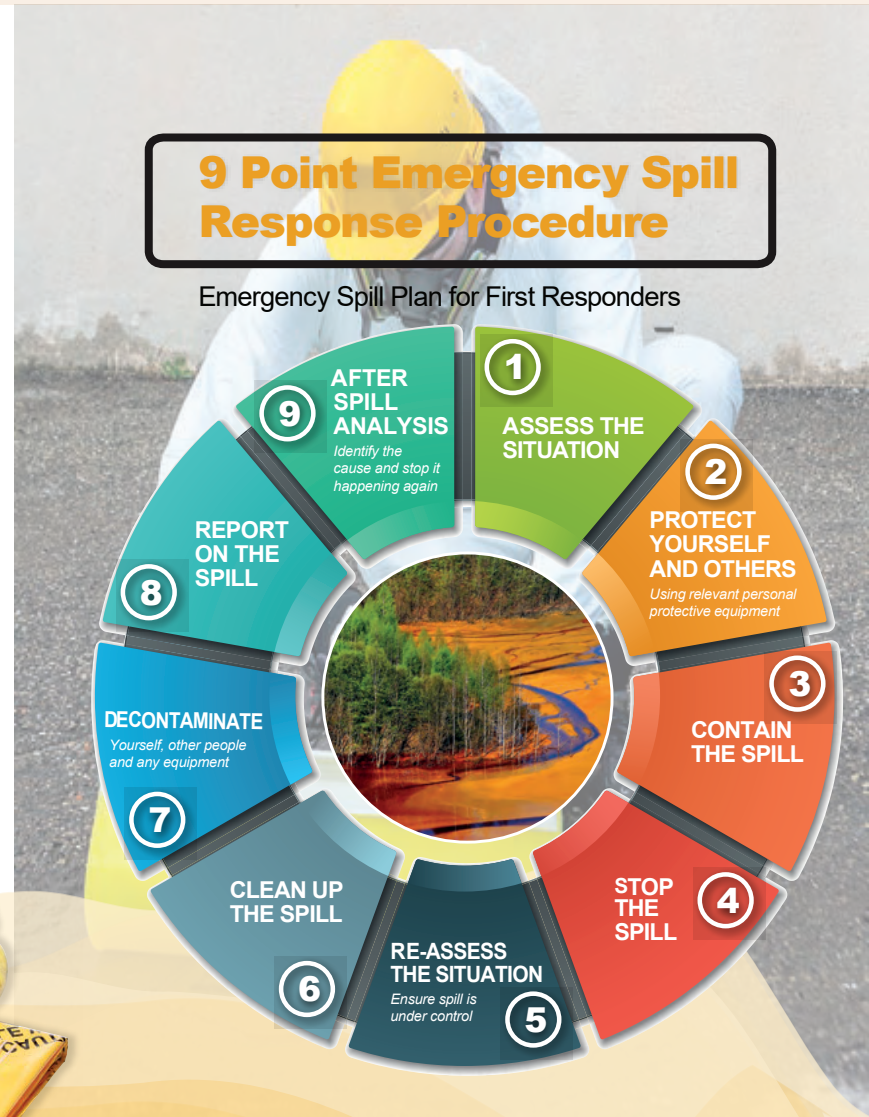

we don't only supply PPE but also have skilled and trained personnel in health and safety, who will carry phiscal training with the employees and employers to achieve one goal of protecting PPE users from health and safety hazards.

Spill & Pollution Solutions.

Doris Beth Agency is a proud agent and sole distributor for Fosse Liquitrol UK. Fosse Liquitrol provides the widest range of spill and pollution control products and services specifically developed to assist companies prevent and cope with liquid spills and pollution.

Our mission is to help our clients to overcome their pollution control challenges. Contributing towards a safer and cleaner environment.

Interior Safety Solutions

We are partners with labmodul A/S(Denmark), one of the world's leading manufacturer for modern and energy efficient interior furnishings in high quality for laboratories, Health and educational sector.

In Uganda we have successfully completed laboratory caseworks and fittings for the Uganda National Health Laboratories Services in Butabika, Kampala.

BRAND MARKETING

Introduce and Establish International brands in the Ugandan and East African Market

DBA has successfully been able to introduce international brands like, Labmodul from Denmark and Fosse Liquitrol from the UK into the Ugandan market.

- *Labmodul has successfully completed a laboratory project with Ugandan Government Laboratory Services in 2019.*
- *Fosse Liquitrol has introduced Spill And Pollution Solutions to the Ugandan consuming industries.*

With a good travel portfolio DBA is still striving to introduce more international brands to the ugandan market

Branding And Promotional Items

Too many people use the term branding as a catch-all phrase that seems to mean everything and at the same time mean nothing.

When you ask them to define branding or how to harness its immense power, you usually receive an incoherent answer.

For us branding is the out and inner phase that has a perfect depiction in what you are by the first gaze.

Many ideas have been picked from different expertise branding companies and have been put together to perfection so as to enhance and beautifully represent someone's image.

We have strategized with corporate companies and made sure we sell ourselves and them in the best unique way ever.

Major mostly in creative design and branding of promotional items

Our in-house production does just about anything and everything in terms of branding. In wide range we do Graphics and fashion designing, Tailoring of all kinds of corporate wear, Embroidery, Screen, Large Format, DTF and UV Printing, Sign Writing, Flyers, Banners, Stickers, Billboards, engraving & Plotting etc...

We ensure that our clients get the best quality and unique branding that depicts their brand in the best way possible.
